

**Battery operated ride-on scrubber for large areas.**  
Suited for large cleaning applications.

## B 90 R Adv Bp

### Everything you could ever wish for in a machine.

The ride-on B 90 R scrubber drier is everything you ever dreamed of. Features such as the working width, squeegee length, design and scrubber system can be selected to suit individual requirements. The machine is then tailor-made to suit your specific requirements.

#### 1 Customized machines

- Three working widths are available: 22", 26" and 30".
- Curved or straight vacuum bars are available as required.

#### 2 Quick replacement

- The brush head is easy to replace without tools.
- R-heads rollers can be changed in seconds.
- With D-heads, the brush or pad drive board can be ejected by simple foot pedal.

#### 3 Simple Operation

- Basic functions are controlled via the Easy switch.
- Operating hours are displayed.
- Roller brushes save water and detergent.

#### 4 Long Operating Time

- Large compartment for large battery capacity.
- Two turbine power settings – save energy in the WHISPER setting.

# Technical data

## B 90 R Adv Bp

- User-oriented configuration
- Several options are available
- A range of working widths

### Technical data

Brush working width	inches	22 / 26 / 30
Working width, vacuum	inches	37
